Neighborhood Concerns Lead to No-Truck Parking Zone

SAN BERNARDINO –In response to resident concerns, the Board of Supervisors approved a no-truck parking zone for a cul-de-sac in unincorporated Fontana on Tuesday.

Residents of the Spring Street cul-de-sac contacted the Department of Public Works Traffic Division and reported that truck drivers were damaging vehicles when they tried to park on the residential road. Officials investigated and determined the neighborhood's concerns were warranted.

Public Works will post signs prohibiting parking of commercial vehicles over 10,000 pounds on the Spring Street cul-de-sac just east of Live Oak Avenue within the next three weeks.

"I encourage residents to contact the California Highway Patrol to report trucks parked illegally in their neighborhoods," Board of Supervisors Chairman Paul Biane said.

The CHP office in Rancho Cucamonga can be reached at (909) 980-3994.
